While most people know that Black & Blue Parties traditionally mean "Leather & Levis" only, we are putting a small spin on the party theme. We are encouraging our guests to be creative in what they wear to the party. Leather & Levis are much appreciated, NOT a requirement.

The party at 77 Sunset Strip is from 7 pm till 10 pm with light fare, drinks and music by DJ Craig to dance to under the disco ball and lights. At 10 pm the party will continue at Club "O". And what's a Black & Blue Party without a visit to the famous Dungeon across from the cafe with your host Michael P.

We look forward to an unforgettable evening with everyone. There will be a small gift to the first 50 guests to arrive (or while supplies last)

If you have any questions please reach out to the men of 77 Sunset Strip (Ed Tony Michael, Wayne, Craig, Mike) or Tracey.

Ask Edna

Dear Edna,
I hope you can help me. I've recently become increasingly concerned about my partner. A few years ago, my partner became a bottom (after years of being a top). That part is great, but a few weeks ago, after making love to his mangina with my fingers I discovered I was missing two rings. To make matters worse, I've noticed posters being placed around my community about missing rings, bracelets, watches, anklets, and a pair of gerbils. I'm concerned that my partner is a cleptomaniass! What should I do?
Keeping my fingers to myself, Freddy

Dear Keeping my fingers to myself, Buy a potty chair and send him out alone more often. Slip some Ex-lax into his food and locate your nearest pawn shop so you can reap the rewards of his spoils. Just remember to stock up on clorox and rubber gloves!

Dear Edna,
Recently a "friend" of mine dressed up like a busty '70s Vegas showgirl and won a crown for his efforts. Now he expects me to constantly kneel before him because he's "a princess". Is this normal?

Signed,
A Commoner

Dear Commoner, Yes everytime you see him you should bow or curtsy (your preference) because he is now camp royalty. Suck it up and give credit where credit is due, bitch! If you have any issues you can buy kneepads at any home improvement store!
