The Season is Over

It's been a good season. Some of the best parties we've ever had were held this season, but it's all over this Monday. This weekend, the club will be open Friday and Saturday nights. Saturday night we are going to try to kick the last kegs of beer, so come thirsty!

The big event this weekend is our annual Thanksgiving dinner and Camp Awards. The dinner starts at 6 pm at Club "O". Once again, seasonals on contracts are free of charge, but all guests will be charged \$12. This is our way of saying thank you for your support.

We hope you enjoyed the season. Next year promises to be even better! The new water system should be in place by opening day of next year and we are doing some work on the electrical system to try to balance out the power a little more.

Just a Reminder!

Winterization of trailers is being done on October 11. If you need your trailer winterized the cost is \$75 per trailer and must be brought in check or cash to the office no later than Sunday 10/8 at 6 pm. We must have a key to your trailer as well.

Closing Up!

When you are closing up your site, make sure to disconnect all electrical lines, and all water connections. Awnings should be rolled in and not just tilted down. If you have a gazebo or tent structure on your site make sure you take all material off of it. It is a good idea to place dryer sheets around the camper. This helps to discourage mice infestation over the winter months. We regularly check the sites (unless the snow is so bad we can't get to them) and will try to notify you if there are any problems over the winter.

Thanks for the Shots!

This year in addition to the shot stations behind the Club, Greg and Riccardo and Greg and JoAnn provided shot stations on the hayride route. This was an added extra that we've never had before! Our heartfelt thanks and apologies for not being included in last weeks list of thank yous!

--Everyone who imbibed!

Spaghetti Dinner!

Thanks to all who helped with the spaghetti dinner this year. Special thanks go out to Uppie and Riverdog for their help in collecting donations and to Tony (site 77 A) for making the sauce (they were delicious) and meatballs. This year we brought in \$846 for the Columbia Hose Company. The camp will bring this up to an even \$900 donation. Thanks for attending and for your generosity

--Ron & Tony
