Camp Clean-Up

It's once again that time of year. We had another major windstorm and freeze this weekend and more trees are down. That means plenty of disco wood to be moved. We also have some other projects that need to be done. We purchased 10 wooden lounge chairs for the pool this winter and they have to be put together. There are a few painting jobs to be done as well as drainage ditches to be cleared. Plan on giving us a few hours time on Saturday afternoon to get some of these projects completed. Your reward will be a pizza dinner for all who help us out. We will be meeting at the club at 1:00 pm to start the work.

Leaf Blowing

I'm sure many of you will want to blow the leaves off your site. Please be aware that they must be blown into the woods, not into the road or a neighboring site! If you do this we will take time out of our schedules to blow as many leaves as we can back onto your site! Also if you have a drainage ditch in the road adjacent to your site, please try to keep that as clear of leaves as possible. By keeping these ditches clear the roads will drain much more efficiently.

This Weekends Events

Friday Night: 9 pm Campfire lit. 10 pm till 2 am Club "O" open
Saturday Afternoon: Camp Clean-up. Meet by the Club at 1:00 pm
Saturday Night: 9 pm Campfire lit Club "O" opens from 10 pm till 2 am with Nachos and Margaritas!

Did You Turn Your Water On?

We warned you last week that it could be dangerous to turn your water on in your trailer. We were right! The system once again froze. If you are connected, please turn water on slowly so you can check for leaks in your camper without creating a major flood! Also, because of the freeze, check the lines near your site for leaks and report them to the office!

Next Weekend is Leather-Levi Weekend

Wear your best leathers to the club on Saturday night and check out some of our private dungeons. The weather should be comfortable for leather shirts and chaps since we expect highs in the 60s and lows in the 40s. Hopefully no rain!

Thank You

If you missed the opening weekend dinner last Saturday you missed a great time. Thanks to Bob Weslar for the great food, Bob and Mickey for the Sangria, Trooper Tom for the blessing, Riccardo for getting the club spic and span, and Chris Congro for setting up and decorating!

Changes to Cinco de Mayo!

May 5th will be our annual Cinco de Mayo celebration. While we usually have a Chili Cook-off, this year we will have a Chili Potluck. The potluck will be held at site 84 (Bob & Mickey's on Broadway). Bring a Pot of chili or other Mexican or Tex-Mex food to share. Saturday night there will be Nachos and Margaritas in the Club.

Help Wanted

Wanted, someone to repair 2 or 3 boards on our deck. See Gary and Wilson on site 59!

Be Observant!

If you notice any water leaks (no matter how small) or damaged electrical wires, please call the office immediately so that we can attend to it!
