Welcome to Leather- Levi Weekend

Wear your best leathers to the club on Saturday night. Mingle and find out about some of our private dungeons. The weather should be comfortable for leather shirts but if you're wearing assless chaps, you might have to wear jeans underneath since Saturday nights lows will probably be in the 30's!

Pumpouts!

Just a reminder that pumpout tickets must be turned into the office no later than 6 pm on Sundays. There will be no exceptions!

Dumpsters

Dumpsters are for household trash only! If you have furniture, appliances etc. to get rid of see Vince. These types of items are in violation of our trash contract!

Leaf Blowing

I'm sure many of you will want to blow the leaves off your site. Please be aware that they must be blown into the woods, not into the road or a neighboring site! If you do this we will take time out of our schedules to blow as many leaves as we can back onto your site! Also if you have a drainage ditch in the road adjacent to your site, please try to keep that as clear of leaves as possible. By keeping these ditches clear the roads will drain much more efficiently.

More Projects!

While a lot was accomplished during camp clean-up weekend, there are still a number of projects we need to finish up before Memorial Day! If you have some time, see Vince. We have painting to do, more wood to be cut up, and more leafblowing.

Clear the Date

Saturday May 12th at 11 am we will have to first seasonal meeting of the year. Please plan to attend!

More Road Work Completed!

Thanks to Riverdog and Kyle and Billy Hall, more of the roadwork has been completed. The underground water pipe across Broadway has been reburied, filled in and stoned. Three drainage ditches on the back road from Site 50 to Site 38 have had drain pipes inserted and refilled. This should help keep water off the roads in this area.

Many Thanks!

Thanks to everyone who helped with camp clean-up last weekend. Lots of projects got done. We assembled 5 of our new pool chairs, cut and moved multiple truck loads of wood from trees that came down over the winter for disco firewood, got many of our common areas and some of our rental sites cleared of leaves! There are too many people to mention, but we are very grateful for all of your help!

Changes to Cinco de Mayo!

May 5th will be our annual Cinco de Mayo celebration. While we usually have a Chili Cook-off, this year we will have a Chili Potluck. The potluck will be held at site 84 (Bob & Mickey's on Broadway). Bring a Pot of chili or other Mexican or Tex-Mex food to share. Saturday night there will be Nachos and Margaritas in the Club.

Help Wanted

Wanted, someone to repair 2 or 3 boards on our deck. See Gary and Wilson on site 59!

New Staff

Welcome to Joann LaBuz and Ricardo Olmeda our two newest staff members. Jo will be in the office and Ricardo will be keeping the club clean.

Be Observant!

If you notice any water leaks (no matter how small) or damaged electrical wires, please call the office immediately so that we can attend to it!
