On Saturday, the Black and Blue Party will be held on site 77 hosted by the guys on Sunset Strip (sites 77a, b & d and of course Tracy! There will be plenty of food and drink. Wear your best leathers to the party if you have them or the uniform of your choice. The cooler weather we're seeing will be conducive to leather! The party will be held rain or shine from 8 pm until 10 pm when Club "O" opens. This is a great party that should not be missed!

Labor Day Show DVDs available

at the Office

Anyone who missed the Labor Day Show this year missed one of the best shows Oneida has ever had. Thankfully, Rich Owens recorded the show and has made the DVDs available to everyone through the office. In addition to the Labor Day show there are also DVD copies available of the 4th of July Show and the 2017 Drag Race. All you need to do is ask at the office (it's not really that far away!)

Thanks for a Great Bear Weekend!

Thanks go out to the guys from Bear Mountain, Jake, Ken & Matthew for hosting last weekends Bear events. While for the first time ever I was unable to attend any of the events for health reasons, I did stop by Club "O" Saturday night for about 20 minutes and watched the party goers arrive from the party. Those that could stand seemed to be having a great time. I also received some messages through Scruff and Growler about how great the weekend was.

Masquerade Shot Stands

If you plan on hosting a shot station on Masquerade Weekend, please let the office know so that we can set up appropriately.
