Welcome to Oneida's 39th Season!

Welcome to Oneida's 39th Season of operation. It has been a long winter, but the weather is finally breaking and hopefully we'll have great weather this season.

This winter was a sad one for our campers as we lost three seasonals this winter. Carl Johnson, Jon Klingler and Scott Sternquist all passed away this winter. They will be missed!

On the brighter side, there have been some major changes at the camp. We have a

Special Thanks!

Some very special thanks go out to a few of our seasonals. Thanks to Jeff Bechtel for the new Sauna building. Jeff took this project on himself and did everything from cutting down the trees and making his own lumber to assembling the building! Once you try it out, I'm sure you'll agree that it is a big improvement over our last building! Thanks to Jeff also for the new cafe tables and the permanent roof over the seating area. Thank Richie Garcia for this one too, since he was the one the made Jeff take on this project!

A very special thanks to Vince as well. With Don's medical problems this year, Vince still made sure the camp got plowed and all problems were taken care of!

Submissions to the Rag

All submission to the Rag are to be made in WRITING no later than 6 pm the Sunday before publication. You may drop them at the office or email to information@oneidaresort.com

new Sauna building and the cafe has been upgraded with new tables and a permanent roof.

If you haven't had the opportunity yet, check out this year's schedule. While many of the regular events are being held, we have some new ones and we've made some changes to some of our regular events.

We look forward to a great season!

Thank You!

Thanks to Bob Dinsmore for all his work in blowing off the sites on Broadway. He not only did his own site, but also did a number of other seasonals' sites and rental sites on Broadway.

Thanks also go out to Tom Possinger for his help in painting the men's bathhouse in the field and for walking the water lines.

Thanks go out to Bob Weslar as well for walking the water lines and helping us find leaks!

Memorial For Jon Klingler

A Memorial Service for Jon Klingler (poolboy) will be held at 3 p.m. at the disco next Saturday afternoon (4/27). Following the service will be a potluck dinner. Please try to bring something to share.

Next Weekend is Camp Clean-up

Next weekend plan on helping us out! Saturday we will have a few projects to get done and we can use your help! The biggest project will be clean-up of the old Sauna building. We plan on having a construction dumpster delivered and we need to load it up for pickup. Meet at the main lodge at 11 a.m. if you can help. All clean-up projects will be completed by 3 pm.

Leaf Blowing

Many of you will be blowing the leaves off of your sites this weekend and next. Please remember to blow them into the woods! **DO NOT BLOW THEM ONTO YOUR NEIGHBOR'S SITE!** If you do we will spend some time during the week to blow them back onto your site!

Also, if you have a drainage ditch in front of your site, try to blow that out as well, since it will help keep the roads smoother and keep them dryer throughout the season.

Happy New Year!

This Saturday night come to the disco at 6:00 p.m. for our annual opening dinner by Bob Weslar. This year's theme is Happy New Year since there was no New Year's Party this year. The dinner will be Chicken Marsala along with salad and dessert.
