Welcome to Grease Weekend

This weekend we are trying a new theme-Grease. Saturday night come to Club "O" dressed as a character from Grease. You can dress as a Pink Lady, or a T Bird. Dance to music from the movie soundtrack and enjoy the night.

Seasonal Meeting This Saturday!

On Saturday May 11, at 11 am, there will be a seasonal meeting to be held by the Disco. We will be discussing some of the problems we are facing this year as well as help we need for Memorial Day Weekend which is only 2 weeks away! Please plan on attending!

New Seasonals

We have some new seasonals. On site F9 we have Reuben & George, and on Site D5 we have Ricky and Ryan. Stop by and introduce yourself!

Submissions to the Rag

All submission to the Rag are to be made in WRITING no later than 6 pm the Sunday before publication. You may drop them at the office or email to information@oneidaresort.com

Water Lines

Vince and some of the rest of the staff and volunteers have spent the last 5 weeks walking water lines! There were a number of leaks, only a few of which were obvious. Most leaks were under trailers, under piles of leaves, and under piles of debris! Many of the leaks were in pipes that campers put in themselves! This is not something that is acceptable. We are weeks behind in Memorial Day preparations because of this problem with the plumbing.

It is each campers responsibility to keep the lines on their site clearly visible. Please blow leaves beyond the water lines and do not pile items up on top of the lines. If we have to search for a line on your site we may just have to cut off your water and you will have to use the bath houses for water access!

Volunteers Needed!

If you have some time this weekend, we could use help with a few projects. If you are able to give us a few hours of your time, let us know at the seasonal meeting. We will have some projects planned!

The Camp Oneida 8th Annual Arts and Crafts Showcase--and wine tasting--will be held on Saturday, August 10th. For those who have never attended--we have an amazing diversity of talent within our community and this is an opportunity for showcasing art/craft items which you are into creating. Tables and easels are available in the tent if you need one. Make plans now for finishing your projects for display and/or sale. As in past years, there is no limit to the style and content of items to be displayed.
