Thank You

Jim and Rob from site 78 on Broadway would like to thank our many many wonderful neighbors who helped us last week as we struggled to get our new trailer into place and to move into it. Many of you offered us a place to stay when we were temporarily homeless, some of you brought us food or loaned us tools. Perhaps you made contacts to bring in help or labored physically for hours at our site. We especially want to thank Steve Gilpin for overseeing the project and devoting an entire day from morning till dusk, Randy Wormuth for his energy and support throughout the long day and Dave Sauro who came up to the camp especially to operate the back hoe. We also want to thank Ron who gave us needed permission for some steps and Tony who physically cranked away after showing us how to use the come along. But so many others of you gave us your expertise and your moral support which means so much to us. We would never be able to name everyone who gave us help. There's truth to the adage "Love your neighbor" --we know it!

Most Sincerely Jim & Rob

Time for Tea Dance

This Saturday August 3rd from 3 pm until 6 pm as a build up to the white party, come and enjoy an old fashioned Tea Dance hosted by Jim and Rob at site 78 on Broadway.

We may not have a boardwalk or dockside pavillion, but we do have the dance music from DJ Rob, drinks for all and assorted munchies. and we'll do our best to create an illusion of the Fire Island we remember so well. We anticipate your help in providing the hot men (bathing suit attire optional).

We hope mother nature will provide the warm sunny skies and we will provide the warm welcome. Long time Oneidaites, weekend visitors, plus friends--all are welcome to attend!

Thanks
